

Consultant

Key Account Project Manager

New York City, NY – Full-Time position

THE COMPANY

EasyMovie is an innovative video creation platform for companies. We make it possible for large groups (banks, insurance, retail, industry) to autonomously create professional quality videos. These companies can then make a large quantity of homogenous videos via their employees, within their time and budget constraints. We give them powerful tools (mobile apps, SaaS platform) that their agencies or our experts can personalize and implement within each business.

Since 2013, EasyMovie has made it possible for companies like PwC, HSBC, L'Oréal, GE, or Hewlett Packard to create more than 20,000 videos. Today, we have more than 40 employees. We currently have offices in New York and Paris and we are experiencing a tremendous growth period.

THE POSITION

This is a new position and the consultant/project manager will play a crucial role for the EasyMovie team. He/she will be in charge of helping businesses launch their video strategy, creating storyboards and training clients on how to properly shoot videos on smartphones with the EasyMovie app. The goal is to make each client able to autonomously shoot professional quality videos using our product.

Main responsibilities:

- Helping businesses launch their video strategy
- Creating storyboards
- Training clients on how to properly shoot video on smartphones with the EasyMovie app
